a quiet area of woodland near the beach when we heard voices close by. Nicky swiftly disappeared behind some bushes and I quickly gathered up her clothes and walked off down another path. The voices belonged to two girls out walking their dog. They walked past where Nicky was hiding but

into it. There was a loud splash and a scream. Nicky had fallen through some brambles into a very cold stream. The

Claire confessed they had been watching our photosession and been so turned on by Nicky they had decided to gatecrash. I hope you like the pictures. It would give Nicky a tremendous thrill to see them in the magazine. K.H., Gwent.

y girlfriend Nicky is 21 and still lives at home with her rather strict parents, but our week's holiday in Devon certainly loosened her inhibitions. The weather was sunny

and warm and the sand dunes allowed Nicky to indulge in plenty of nude sunbathing. It wasn't until nearly the end of the holiday the dog didn't. He started barking at the bush before that we discovered the beach is very popular with diving birdwatchers and Nicky had increased their numbers dramatically! The highspot of the holiday was our last day. We were having a photo session

girls rushed to investigate and hauled out a very cold and muddy Nicky. She claimed she had fancied a swim, but when she came out someone had stolen her clothes.

I don't think they were convinced, but the girls, Claire and Jules, said Nicky should come back to their cottage to get clothes and clean up.

They took her home, bathed her and attended to the scratches from the brambles. Nicky was then put to bed joined by Claire and Jules. Nicky has had no experience of sex with women before that afternoon. They treated her so gently that she reached orgasms of an intensity that she had only dreamt about. Their tongues reached into every crevice. She was sucked, licked and bitten until her skin tingled all over and her fanny ached.

GIFT OF LOVE

y wife Anne and I have been keen readers of Escort for the past 12 years and have spent memorable hours fucking each other whilst reading the mag. We have experienced many sexual thrills from flashing to having sex while Anne was bent over a balcony rail, talking to the occupants in the adjacent room (this was on our honeymoon).

My thirtieth birthday present to Anne was my permission for her to fuck someone else.

Anne told me she was

going out with her friends from work and would be home late. She came home at about half past one and was clearly in a very happy mood. She lay down on the floor and asked me to fuck her.

When she saw my face she burst into laughter and said, "Well, you did know it was my birthday!" I immediately knew what she meant and was incredibly aroused. I fucked her furiously and in a matter of minutes it was all over but it was the best fuck I had ever had. She told me that she had met a young lad in the pub and taken him

back to her parents' house nearby (they were away on holiday). This lad a fine seeing to, fucking her three times in difforent positions, her favourite being on top trol. She'd been amazed at his staying power and what she described as a very thick and long cock. Anne said that she had enjoyed it enormously and was thrilled at how turned on I had been!

Anne works in a public building so we can't be too indiscreet, but the readers will enjoy looking at her gorgeous 38-28-38 as much as I dol J.W., South Wales

Claire Slips Out Dept: Model Claire demonstrates her liking for "slippery things" further on, but her other little fancy is wearing not very much under

her rubber mac and going for a walk in a breezy park. (N.B. These look like more of those usefultype nipples we'll be

It Works Wonders Dept: One of our girls this month is Jadie from Staffs who works in a club bar wearing a sedate white blouse and knee length black skirt and pulls a perfect pint of Guinness which she usually has to let go of. Steve stopped and looked up. He saw me and, smiling, got up and led me into the room. He kissed me and I could taste her pussy juice on my lips. His cock was hard and long. He took my towel off

after a boozy dinner we went upstairs ready for sex. We'd just got to our room when the door to the next room opened and a good looking woman came out

and asked my husband if he'd have a look at the light in her room as it wasn't working. Steve went into her while I went into our room to get ready for him. I left my stockings and suspenders and lacv basque on; my pussy was already damp and sticky. I lay and waited. A while passed so I put a towel round me and went to see where Steve was. The door to the woman's room was slightly ajar and I could see Steve up on a chair struggling with the light bulb. He was struggling because the woman was fondling his cock which was bulging through his trousers. He'd had a hard-on most of the night in anticipation of our sex session

She started to undo his zip slowly then pulled out his hard cock and started to suck the knob and slowly lick the shaft up and down. Steve tried to push her away (but not too hard) but she just sucked harder.

Steve got down off the chair and undid the buttons on her blouse. She was not wearing a bra and he started to play with her nip-

ples which were long and sticking out. She lead him towards the bed where she laid down and spread her legs. Steve pulled her skirt and knickers off, leaving her totally naked before taking his clothes off. I was so turned on I was wet and getting wetter. I put my hand on my cunt and it felt wonderful.

Steve was kissing and sucking the other woman's nipples. He moved down towards her wet, juicy cunt, and started to lick my nipples. I wanted to stop him as we'd never done anything like this before but I was so turned on I couldn't.

Instead I lay on the bed. At once I felt a soft touch between my lips, then a wet tongue on my clit. This strange woman had started licking and sucking me out! The feeling was wonderful and I did not try to stop her. She was kneeling on all fours hold-

"HE SAYS HE CAN'T HEAR ANYTHING - HIS EAR IS FULL OF SAND"

ing my lips open, licking and sucking like she couldn't get enough of my cunt and pussy juice.

Steve moved behind her and started thrusting his prick in and out of her cunt doggy-style. This really got her going and the harder and faster Steve fucked her the more she lapped and sucked at my cunt. We all came together, her moaning as loud as she could with her mouth over my mound, me screaming and pushing her head down onto my flooding cunt as Steve sprayed his hot creamy spunk all over her arse.

We all collapsed in a heap panting and sweating and glistening with spunk and pussy juice. We carried on all night in various positions. Steve liked it when this lovely woman and I got our legs apart and our fannies rubbing together. He stood wanking over us until we came again, Steve spunking all over both of us.

Steve and I then went back to our room and woke around noon the next day and made mad passionate love still thinking about the night before. When we

eventually went downstairs to eat, the maid was cleaning the room next door. Our friend had checked out and we didn't even know her name. We have included some pictures which may jog the memory of the woman in the hotel. J.B. London.

I work for a big company that likes to shunt its younger employees around to different departments every few months, but Mandy had only just started with the firm when she came to me. She was a very attractive girl with a good figure and suspect I got her because someone mought she might be a distraction if she shared an office with a man. She sal directly opposite me, but her deak didn't have a modesty board like mine, and had to have a word with her about the length of her skirts because she was flashing her panties every time she crossed or uncrossed her legs.

I wouldn't have minded a ub myself, but a woman in my position couldn't possibly do anything so outrageous. Or could she? After all, my desk was fitted with a modesty board. Nobody

stopped looking at Mandy and tried to concentrate on the paperwork in front of me, but the figures were beginning to blur. The urge was too powerful. I let my hand fall into my lap, carefully tugging my skirt up and trying not to tremble as I parted my knees and caressed my inner thighs with my fingertips. I peeped across at Mandy to see il

Apart from the fact that they were now cutting into the back of my hand, they were making swishing noises that sounded deafening, though Mandy gave no sign that she could hear She didn't even notice me shifting from one cheek to the other as I pulled them T.

They didn't go very far -- about midway between my crotch and the tops oil rny stockings -- but it was far enough. there with a parcel. was the postman. who said. "Not right now, but how about Saturday night?" Grabbing the parcel quickly and very embarrassed. Linda

slammed the door. A few minutes later I arrived to find Linda on the bed fingering a wet, juicy fanny. She told me about what had just happened and said she was feeling extremely horny and wanted her clitoris licking, at which point I disappeared between her legs, not that she needed much work as she was sopping wet and about to come. We then had a very satisfying fuck. Afterwards I said to her that if she got that turned on just by flashing at the postman maybe she should take him up on his offer. That Friday she made a point of bumping into him on his round, his opening line being, "I didn't recognise you with your clothes on." They proceeded to have a chat and arranged to meet at the local night club on Saturday night.

When Linda came downstairs next night, my eyes nearly popped out of their sockets. She had bought herself a sheer black top and mini skirt. Her underwear consisted of just a black suspender belt and stockings. Bending over to pick up her handbag, she revealed her lovely pussy waiting to be entered. I wasted no time downing my trousers and pants thrusting my cock into her deep pas-

sage. Half an hour later after a few brandies for Dutch courage, Linda was ready and ! drove her to the nightclub. Linda found Paul the postman and after chat-

ting and a few drinks Paul slid two fingers up her sopping fanny and was working her well when Linda said, "Not here - your place, now!"

Leaving the club they arrived at Paul's house. He closed the door and turned round to see Linda lying in the hallway, legs apart and moaning that she wanted him to go down on her. Paul removed his trousers and shorts and Linda instantly started sucking him and rubbing his balls as he was licking her clit. As she sucked his cock harder, Linda started to taste that he was not far from coming. Then he pulled his cock from her mouth and moved her over to the stairs where he

"My lanting is to be tlod naked to a ties." Confrages Manchester reader Judy (42-20-19), them lucked by my holitry in front of a niedly around."

Imagine we're sunbathing nude on this deserted, tree-lined Mediterranean bay, I dare Ned to tie me to one of the trees and do dirty things to me. But the rotten sod just laughs so I nod off.

wake up to find myself sitting with my back to a tree. Then I realise I can't move my arms: they're tied together behind the trunk

There's no sign of Ned and then half a dozen young men suddenly sprint past me from the water. They crash to a halt, gaping at me.

They gather round me and the tallest and best-looking asks if I'm alright. I say I'm fine, I'm just playing a game with my husband, who'll be back any second. "Wow," says a younger

swimmer, "that sounds really kinky."
"That's exactly what it is!" someone
calls I gasp with relief as Ned sides through the others and standing over me. "Her hubby hides in the trees with

'He moves close to my head and pulls down the front of his trunks. Someone gasps as his cock and balls pop out, his fat round knob peeping out

himself against the tree as I lift my head and plunge my mouth over his tip, wriggling his thick rod right into the back of my throat, until my lips touch his balls. He groans as I begin to jerk my head back and forth, sucking him as I do it.

"Oh yes, baby," he breathes, bracing

tender little flicks with my tongue.

"That feels good," Ned gasps. "Did you ever see such a fantastic mouthfuck? Look at how she takes my prick -'His cock pops out as he speaks and I press my lips to it, kissing its saliva-

"The dirtier you are," Ned says, "the better. Don't tell me you're not tempted. Look at that gorgeous body — when did you last see boobs like those?

My heart leaps into my mouth as the boys begin to grin. Some swallow and

'But Ned doesn't seem to notice. He kneels beside me. I gasp as he lifts my right boob - I can't believe he's doing this to me in front of people and I shudder as his thumb rubs my nipple and I feel it pucker and rise.

'See?" he grins. "Nips are hard already. Bet you her fanny's wet, too." 'And he pushes his hand straight between my thighs, running his fingers through my pussy hair. His fingertip brushes my clit. "Absolutely sopping! She's crazy about sucking cocks too."

The woman rises from a side cabinet, a glass of wine in each hand. She's in her early thirties, full-figured

That's very kind Mrs Wallace.' She hands the young man a glass, then sits on the desk in front of him, crossing her legs and tugging point-lessly at her tight skirt.

As they drink, the young man's eyes flicker towards her scissored thighs. They widen as he glimpses pale flesh up the dark tunnel that leads to her crotch.

'Oh damn, she interrupts 'Sorry, David Can you give me a hand?'

The young man turns. Only a lacy bra covers her upper half. Her heavy breasts mound in the cups as she leans forward, tugging at her skirt zip.

He squats beside her, picking a cotton thread from her zipper teeth,

Oh, that s great, David¹ Immediately she yanks the zip

He's turning me over onto all fours, facing the tree, cuffing my hands round the

'But his thighs press into mine, his stiff cock propping between my checks, I mean as his hands reach round, fondling my boobs, sliding down into my crotch to rub my clit. I gasp as I feel him fumble for his cock

"This drives her husband wild to watch," Ned grunts, "and look how well she takes my cock —"

'He eases into me, gripping my
thighs, nudging for my hole with his

forcing him as deep as he can go

"Yes," Ned resos, "I got a pint of spunk for you, love... Come on, lads, she'll want yours, too

That's when he really starts to fuck me, hard and deep, slapping his thighs against mine. Suddenly there are naked male bodies all round me, stiff, urgent cocks being wanked against my boobs, my back, my cheeks, my hair. The youngest swimmer's long slim prick bumps against my chin. I duck my head, starting him deep into my mouth. He groans, his prick jelks and I squeal as thick sperm explodes against the roof my mouth.

'Suddenly I'm coming, fierce, bodyracking spasms as guys groan and pricks jerk and spurt all round me, a thick, sticky rain of warm spunk, spattering my bobs, my face, my mouth and finally my pussy as Ned empties his balls into me...My wicked hubby!"

'Am I keeping you from your girlfriend, David?' she asks suddenly

'No,' he mutters. 'Actually, things are a bit quiet on that front.'

'Not bad, are they?' she beams. Her hands scoop the heavy, well-rounded flesh, making it mound mountainously. Her eyes glitter at the young man's stunned expression. 'Here, feel!'

against her desk. 'Actually,' she says, 'what really bothers me is my pussy.'

The young man watches, mesmensed, as the blonde slides her fingers down through her rich growth of pussy hair, a fingertip tracing the pink ridges of her labia.

"It's dreadful, I know," she breathes, 'but I do seem to need an

awful lot of cock.' Her eyes trap his. 'My boyfriend tries his best, of course, but he's quite small...' Her gaze drops to the young man's flies. Her eyes gleam. 'You wouldn't consider lending me yours for a few minutes, would you, David? Just for fit?'

The blonde briskly unzips his trousers. 'You'll go a long way in this company, David — 'She yanks down his trousers and shorts in a single movement. Her eyes widen as his erection springs up, long and thick with an exceptionally broad bulb. 'A long, long way,' she breathes, then pats his thigh. 'Lie down for me.'

He sits on the carpet. Kneeling, the blonde pushes him onto his back, straddles him, then rises, face tightening in concentration as she guides his tip between the glistening, gaping labia. She sinks, wincing as his broad

bulb stretches her opening. Her vagina slides down over his engorged penis, swallowing it inch by slow inch, until his balls press into her cheeks. She lifts, looking down to where the young man's shaft slides, wet and glistening, from her pussy. Then she begins to rise and fall, slow and easy at first, then gradually faster until her thighs are smacking against the young man's, her breasts bobbing and swaying together.

She moans as his hands rise to cup them, fondling and rubbing her nipples together. The young man jerks and swears. 'Mrs Wallace,' I'm sorry, I can't – '

'Yes!' She grinds her clit against the base of his shaft. 'Just do it, David - curn in me - fuck me - I'

She shrieks as his cock spurts and she shudders and twitches on him, lost in the spasms of her climax.

Older Women Volume 1- £19.95

This is the first of our Older Women video series. If you get this one and enjoy it (which you will, I promise) then your back is in. There are three more volumes avasiable for you to feast your eyes upon. Volume 1 is considered a collector's stem by many of

our clients. It is sumply amazang. It is stunningly erotic. If you like older women, that is, This video features only women aged 48 years and over There are ladies in their forties, ladies in their fifties and even ladies in their sixtues. They come in all shapes and sizes, some are fat, some are thin. Some have enormous ripe bosoms. others are skinny and as flat as a witch s til.

From all around Britain (literally, Enca

aged 55 sent her tape in from the Orloney Isles), we bring you the hornest grannies in Britain. All strip for you, all display their old fashioned underwear (some men find directoires very sery, you know), There are support corsets, girdles and cross-yourheart bras and old fashioned stockings. This inden shows older woman after older worman.

Each one does her turn to turn you on. It s an older woman sex fans paradise, a Nirvana filled with mature sexy women all of whom want one thing and one thing only - to turn you on. They each have different methods to achieve this. Some stare provocatively straight at the carnera, knowing their sexuality. Others are demure, shyly looking Liny. Others just nt to mother you, still others merely want

to turn you on. They want to know that you're going to pull your trousers down because of the effect they have on you

Enough talk. Now the action. Get this video and Eve decided that if you like older women, words cannot describe the thirds you're headed for, so I won't go on any longer

Young British Lesbians- £19.95

We weren't even sure if teenage lesbians existed, but they do. Wow, do they ever!!! One of the sirls told me that Queen Victoria did not believe in leshians. She couldn't comprehend what two stris could do to each other; that's why homosexuality is illegal to under 21s, but not lesburusm.

Well... after the shock of this video, if Queen Victoria

was still around, we could certainly 60 her to on what leshianism is all

The dirls on this video are all aged 18 or nine teen. They are either 100% Jeshian or they swing both ways. They are the hornsest bunch of teenage girls around. I've watched this video about fifty times in the last few weeks tyes, It is that

good). The idea of young girls undurging in full sex acts

with other British young 18 or 19 year olds is a real lum on and seeing it in exact detail is a real lock.

The thing about the girls on this video is how normal they are. I've always had the idea that lesbians are shaven-headed boyish girls who wear Doctor Marten boots and act like men. Not these girls - these are normal everyday teenage girls, except that they get their sexual pleasures by performing with other dirls. Sex is very important to teerage iesbians. Mary, who is 18 shows us just how much pleasure she can give her partner (19 year old Joanne) sust by using her mouth. We watch in fascinated, baited-breath ecstasy as Joanne is giving a complete going over Joanne practically mints with contented bliss as her lover brings her to the threshold of pure delight again and agam. Indeed, Joanne, is in a state of practical orgasmuc heights for at least twelve minutes.

There're many leshan (or bi-semal) teenagers are on

this video, all are British, They come from all around the country. Grantham, Cardiff. Fort William etc. These girls don't look like sesbuans, but they are, as you'll see in graphdetail. Fresh faced & fruity | don't know about ou but that really does turn me an Get this video and watch it in ultimate

close-up as these teenage lesbians perform with each other It has to be seen to be believed.

and started sucking a nipple, then he pushed her skirt between her legs and groped her thighs. I clearly heard him say, "Fucking hell, she's wearing stockings," and Mandy giggled as they both felt her up. Then her knickers were being pulled down and stretched across her suspenders.

A rigid cock sprang into view, quickly followed by another. Mandy wrapped her hands around both and gave them a

After a couple of minutes she buckled at the knees and threw her arms around their necks again to stop herself collapsing. I was almost sure that one of the rampant cocks rubbing against her stockings and thighs would try to get between them sooner or later, but Mandy didn't give them the chance. With a heartfelt groan, she shuddered and hunched forward in an orgasm that was obviously at

Far from stopping him, Mandy went all heavy-lidded again. I think he decided that she might let him fuck her after all, because he put his hand on hers and slowed her down. In return, she put hers on his and speeded him up. I shook my head in amazement as she began to swivel her hips and jerk her pelvis as if she was heading for yet

quick squeeze and a few strokes, then she shook her head and said, "No, me first". They got the general idea, but Mandy clearly had very few inhibitions; because she showed them exactly what she wanted. She shoved their hands lot more powerful than the one she'd had in the office. One of the guys snatched his hand and looked nervously over his shoulder. I ducked behind my box, and when I raised my head again Mandy was straightening up and flicking her hair

down to her pussy, kinching and telling one to take it easy when he tried to force more fingers up her than she wanted. Then she slotted the other one's finger against her citoris, put her arms around their necks and pulled their faces to her breasts, moaning as they sucked and

this before. It was running out of her and down my throbbing cock until I couldn't hold back any more. I pulled out and came all over her. Julie would love to read in the magazine what the readers would like to do with her, especially female readers as she would like to be introduced to female love. Mr & Mrs B., Newcastle

I'd never seen her come like

JULIE'S SEXCAPADE

y wife Julie is 42, 34-24-34 and a proud mother of two. We have been reading this excellent magazine since its launch and cannot wait for the next issue. Our reason for writing is to relate to you a recent

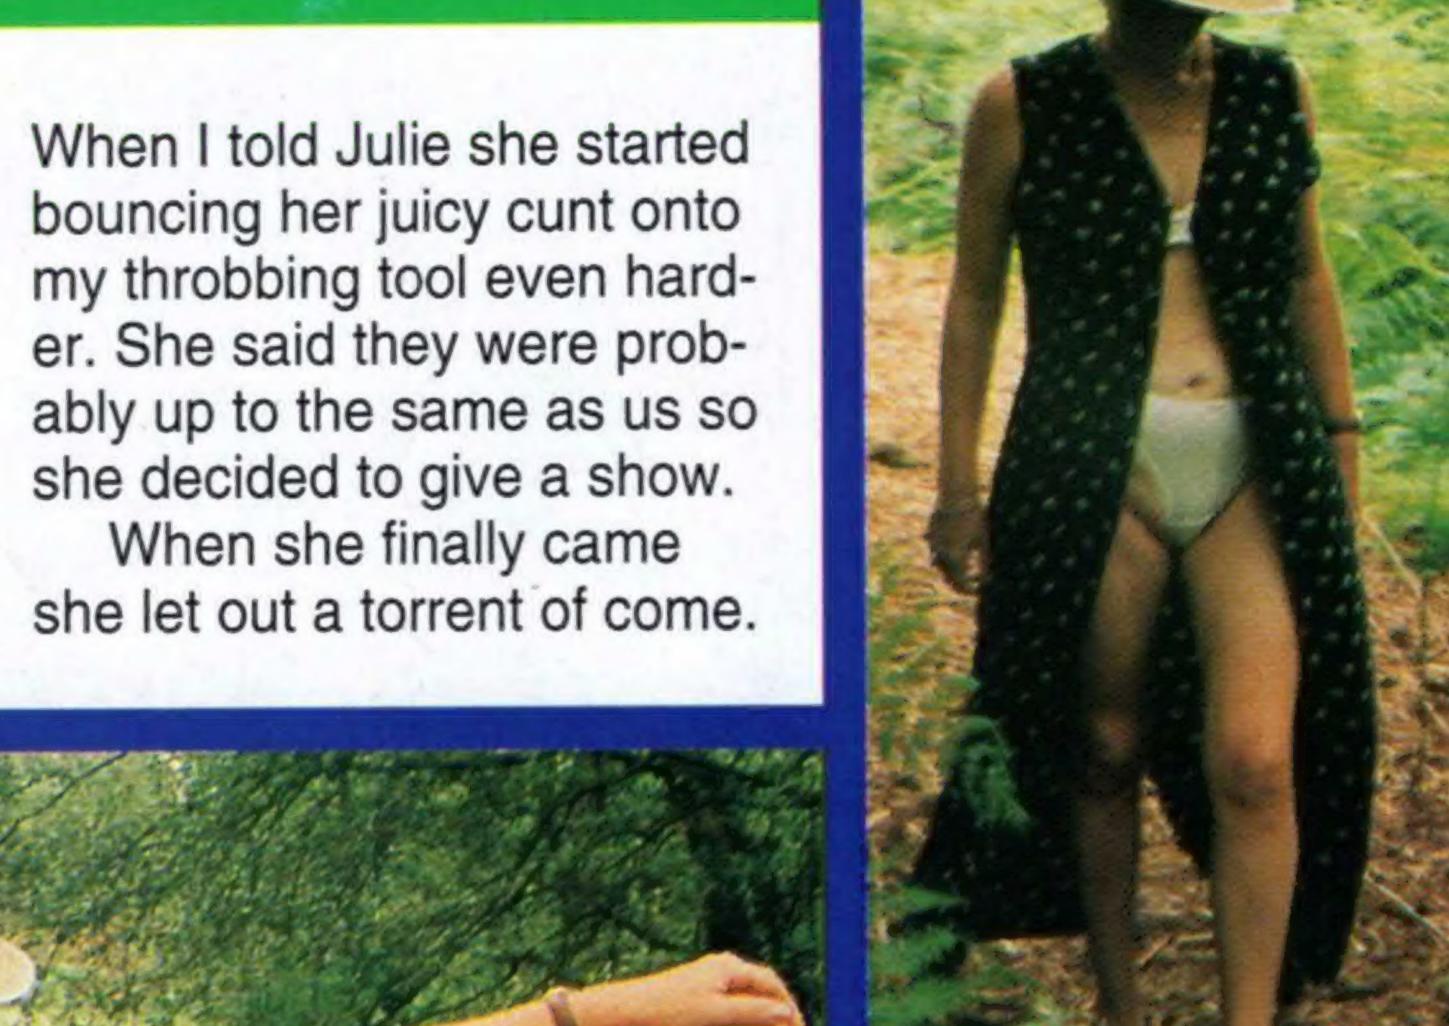

'sexcapade.' We had gone for a drive up to Keilder Forest and found a secluded road which led to a clearing. We parked the

started to take pictures. Julie was getting more and

car and

more worked up. She slipped one finger inside her moist pussy then another and another until she finally had four fingers ramming into her juicy hole. I've never seen her so worked up before.

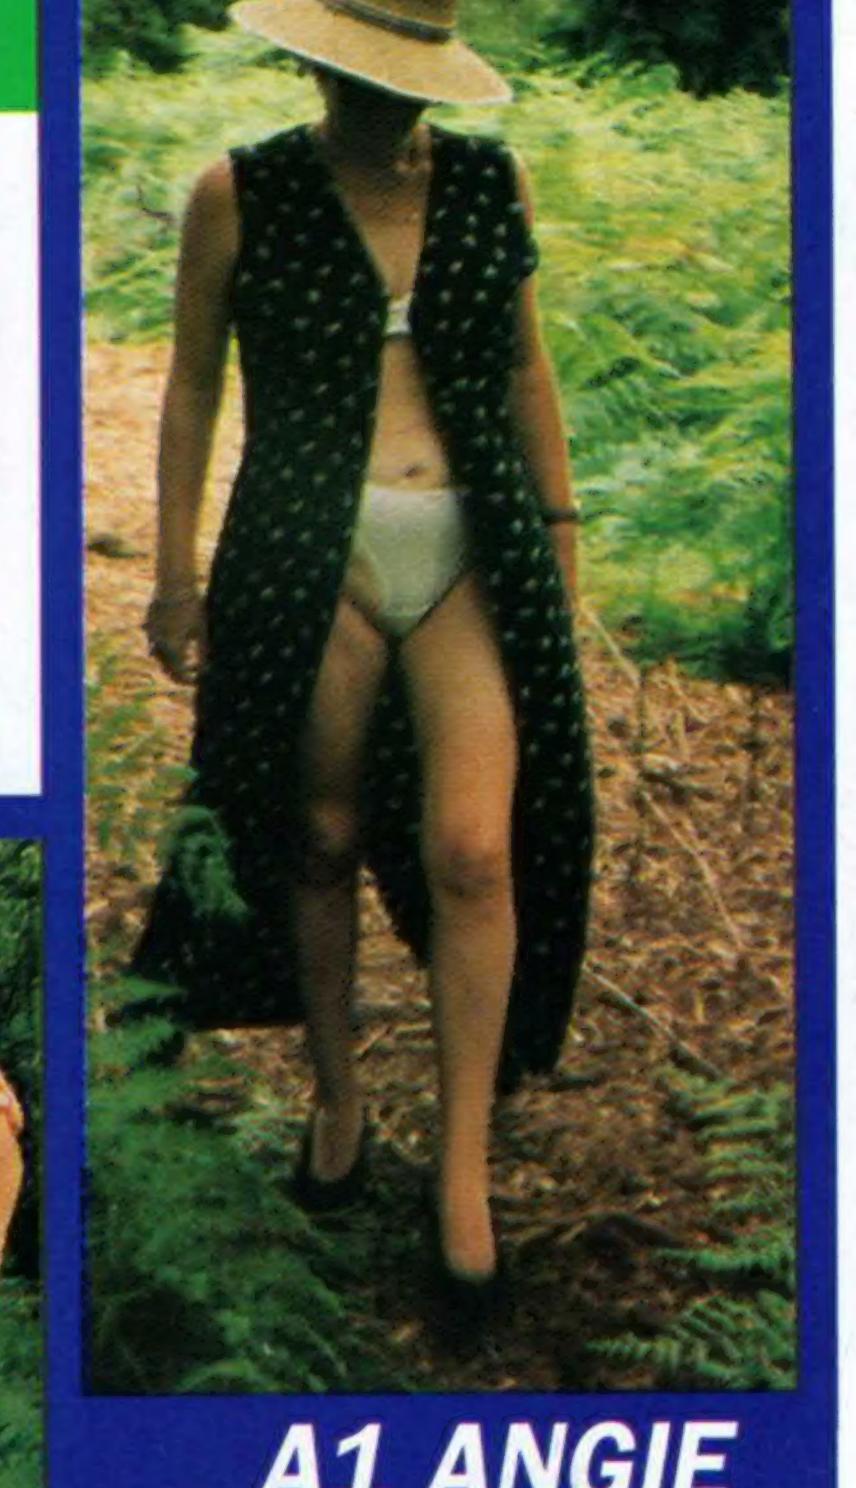

She said she was thinking about me sending the photos into Escort and all the readers, male and female having a wank over them. Finally I couldn't take any more teasing, so she climbed on top of me in the passenger seat of the car. After a few minutes I noticed a four-wheel drive jeep slowly approaching us.

A1 ANGIE

any thanks for including photos of M my wife Angie in Vol.14 No.4. Angie received a lot of fan mail, which spurred us on to a really great outdoor session with our camera. She gets so horny knowing your readers are wanking over her pics, which in turn gets me excited and usually results in a good fucking session in the woods. At 43 she's had some cock over the years, mostly mine, but also a couple of readers.

We hope you all enjoy the photos taken in some woodland off the A1. Perhaps you might have seen us! Thanks to everyone for a great mag. Alex & Angie, Lincs.

We would like to warn all potential customers that this advert does not feature normal hard sex hetro videos. It features much more extreme and way out sex featuring unusual models — the younger female, women and even our famous film Love Farm! The state of some of the models and acts they

pregnant women, older women and even our famous film perform may shock you. Be warned...Do not purchase is you are shocked or easily offended.

EUROPE'S MOST "BIZARRE" VIDEO COLLECTION

Buy before they're banned! Hardest specialist videos in the UK

THIS collection of "Specialist Subject" videos, which have never been available on general release in this country before, are now brought to you by "Video Confidential," Europe's leading specialists in fetish sex, in a quick and secure service.

Before today, these videos have only been available in the twilight world of the back streets of Soho. "Video Confidential" believe this to be wrong, and now offer them to you at A QUARTER OF SOHO PRICES and are proud to open up to every reader the exciting, sensual world of Specialist Sex.

We cannot predict the reaction from the authorities to this open approach to the previously unexplored and unavailable world of fetish sex, so we urge you to make your purchase today in case this ad is now allowed to appear again.

BUY NOW — BEFORE THEY ARE BANNED!

Foot Fetish £24.95

FOOT FETISH, female domination and the world of leather, rubber and latex are all here in the strongest foot fetish video available. Boots, court shoes, stilettos, plimsolls, socks, flip-flops and even toepainting and chiropody! Again there is plenty of hard core action to keep you interested, plus an incredible foot masturbation scene. A must for every serious submissive man and foot fancier.

Granny Sex £24.95

HARD, explicit and graphic. Women over 40, and 50 and even over 60! Some are fat, some are thin, all are experienced and dirty. The sex is incredible, full sex, A and O with plenty of splash - loads of old fashioned underwear (including corsets and directoire knickers). These are the horniest grannies in Europe and they're out to prove it! They've had years of sexual experience.

Pregnant Love £29.95

A SPECIALIST subject that attacts many thousands in the UK. Women in the full flush of pregnancy are seen by many as being at their most beautiful, sensual and sexual. This video explicitly explores many "Milking Maids" in wide ranging sexual acts in intimate explicit close-up and slow motion. Not just a horny experience but also an unusual, beautiful and moving one.

Female Shaving £24.95

A VERY popular fetish is the bald beaver, and yet this is the only video we've found with true close-up and variant clipping and shaving action. The girls do it to themselves, to each other and also the blokes get a go. Just for good measure it ends up with a truly explicit close-up shaven shafting extravaganza. Truly magnificent hairless muffs as smooth and hairless as a billiard ball.

Love Farm £29.95

THIS video has changed hands for over £150 in Soho. We cannot describe its hard action contents fully here, but we believe the title says it all. This video is the only one of its type available in Britain today that we know of. If this subject is your thing, you will never see a harder, more explicit example of this exciting sexual topic - only for the most unshockable viewer. It's unbeatable.

Lady's Doctor £24.95

AGAIN we can't go into much detail in this magazine, but we all know what we're talking about here. We have sold this very specialist film for £200 in Soho and Amsterdam. Do not buy this video unless you know just what to expect from the ultimate adult, games of doctors and nurses. This video was intended to shock and it does! It won't be around for long buy it today!
